**OVIA Technologies**, established in 2013, is a dynamic and growing technology company based in Ramallah – Palestine. We offer services mainly in custom software development and advertising.

What we believe makes OVIA special is how we creatively transfer your data and insights into a piece of art that develops an emotionally convincing experience with an impact to make you proud. We provide personalized customer services that always have time to discuss the work and answer any questions you might have.

**Our services and products always reflect our values:**

**Optimum:**

There might be many solutions, but OVIA doesn't settle for any solution. We seek to find and develop an optimal solution that meets your requirements, make your life easy and can adapt to any future changes.

**Valuable:**

We merge our studies and experience to handle a solution that exceeds your expectations and these solutions will be one of the most valuable assets for your business.

**Innovative:**

We are always proactive: we think about the future and plan for it. That's why OVIA guarantees that you will be served with the latest technologies and updates. OVIA doesn't settle for anything, there is always a difference between OVIA's solutions and any other solution.

**Artistic:**

It's not just about IT. OVIA has a unique artistic touch that produces an exclusive product from all aspects.

OVIA creates your advertising campaigns from scratch. We assure successful advertisement and marketing campaigns by being next to you all the way. OVIA makes market studies in order to come up with guaranteed ideas for you campaigns.

**Our advertising servcies include:**

## Design

Our professional and artistic graphic designers know exactly how to make your business stand out and be unforgettable. OVIA's designers will reflect your needs just the way you want in an artistic, emotional and impactful way. Our designs are known for their high quality and impact to deliver the needed messages in a story-like design on time.

## Printing

Your print materials reflects your organization and are the only remnants of it with your clients, OVIA makes sure you pass that test. It is important to your business to have a suitable, artistic, user-friendly appearance to gain customer admiration. Through our experience, innovative, and artistic ideas, OVIA can reshape your business appearance in a unique way that represents you perfectly. We print any kind of printings such as business cards, brochures, headed papers, roll-ups, posters, flyers, stamps, etc... in the highest quality and minimum time to let you shine in the crowd.

## Facebook Services

A team of social media experts, marketing experts, graphic designers, and photographers work 24/7 to manage your Facebook page so you can relax and watch the progress. Our services page+ and page lite are online marketing management services through Facebook. We create your page content, deal with the page followers, create campaigns to achieve business goals, provide periodic statistical reporting about the page status, and more...

## Promotional Items

OVIA offers a variety of unique promotional items that suits your business goals such as pens, key chains, flash memories, power banks, and more... even customized items specially for you. OVIA can customize your items to fit perfectly for your business by many printing procedures such as laser engraving , UV, silk screen, and sublimation.

Please visit the promotional items store on our website to see available items. ([www.ovia.ps/shop/](http://www.ovia.ps/shop/))

## Signs/Signage Making

Your business signage is the face of your business! It is one of the most important marketing tools. It brings customers' attention, and it has to do so in just one quick glance. So, it must be treated well. We design, implement, and install professional-quality signage using high-quality long-lasting material that gives your business a great looking appearance. We also have a various selection of accessories for mounting and displaying printed signs.

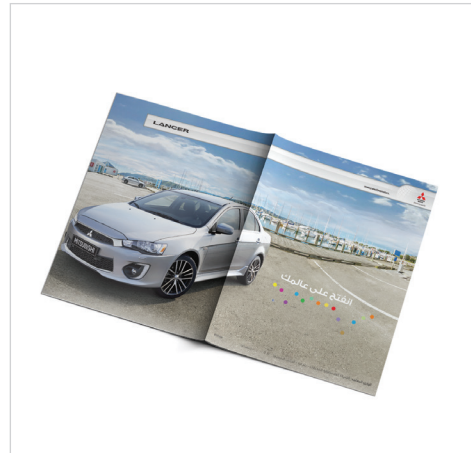

## OVIA Studio (Photography)

For the first time in Palestine, OVIA studio offers professional abilities in capturing your products in pictures. With our professional photographers and equipment we assure your business appears in the best possible way. OVIA studio assures the best quality of picture colors including gold, silver, and transparent products. These pictures can be used on covers, catalogs, menus, or on social media and internet.
